INSTRUCTIONS FOR COMPLETING THE DESIGNATION OF BENEFICIARY

Complete this form to designate a beneficiary for VRS Basic and Optional Group Life Insurance and for your defined benefit retirement contribution account. It is only necessary to designate a beneficiary if you want payment to be made by means other than the order of precedence established by law. If you previously completed a VRS-2 and wish to change beneficiaries or now wish to choose the order of precedence, you must complete this form to revoke any prior designations.

Please read the information provided on this form to understand your options for designating a beneficiary. Additional information is provided in your *Handbook for Members*, which is available at www.varetire.org or from your human resources representative.

Order of Precedence

You may choose the order established by law to provide payment of your benefits or you may designate specific beneficiaries to receive your benefits in the event of your death. The order of precedence is as follows:

- To your spouse;
 - *If no surviving spouse*, to the children* of the member and descendants of deceased children, per stirpes;
 - *If none of the above*, to your parents equally or to the surviving parent;
 - *If none of the above*, to the duly appointed executor or administrator of your estate;
 - *If none of the above*, to your next of kin under the laws of the state where you reside at the time of your death.
- *Children means all children except stepchildren, foster children, minors who happen to be living with the member, and individuals raised by the deceased member as a "child."

Life Insurance Benefits

Your VRS Basic and Optional Group Life Insurance benefits will be paid by order of precedence unless otherwise indicated in Parts B and C of this form.

Defined Benefit Retirement Benefits

Death in Service:

If you are vested (have at least five years of service credit) and die while in service with a VRS-covered employer and your death is **not** work-related, VRS pays retirement benefits as follows:

- If no designation is made, or the death of all primary and contingent designated beneficiaries occurs prior to your death and another designation is not made, the beneficiary is determined by order of precedence.
- If you name your spouse, minor child(ren), or parent(s) as a beneficiary, or they are deemed the beneficiary by order of precedence, that person may receive a monthly benefit or may elect a refund of the contributions and accrued interest in your account to the exclusion of any other named beneficiary. The spouse will take precedence over a minor child, a minor child will take precedence over a parent.
- If the beneficiary named, or determined by order of precedence, is someone other than your spouse, minor child(ren), or parent(s), a refund of the contributions and interest credited to your account is paid.

If you are not vested and die while in service with a VRS-covered employer and your death is **not** work-related, VRS pays defined benefit retirement benefits in the form of a refund to your designated beneficiary.

If you die while in service with a VRS-covered employer, and your death **is** work-related, VRS pays defined benefit retirement benefits as follows regardless of whether or not you are vested:

- A refund of contributions and interest is paid to your designated beneficiary. If no designation is made, or the death of all of your primary and contingent designated beneficiaries occurs prior to your death and another beneficiary is not designated, the contributions and interest credited to your account are refunded to the beneficiary as determined by order of precedence.
- In addition to the refund of contributions and interest, a monthly benefit is paid to your surviving spouse for life. If you have no surviving spouse, the monthly benefit is paid to your minor child(ren) until age 18. If you have no minor child(ren), the benefit is paid to your parent(s) for life. All benefits are governed by and subject to the Virginia Retirement Act (*Code of Virginia Title 51.1*)

Death After Retirement:

If you die after your effective date of retirement and chose a payout option other than a Survivor Option, a refund of the contributions and interest that have not been paid to you as a monthly retirement benefit is refunded to your named beneficiary or, if no beneficiary designation is on file with VRS, to the first person qualifying by order of precedence.

If you die after your effective date of retirement and chose a Survivor Option, your monthly retirement benefit payment continues to the person you named as your contingent annuitant.

If you are retired, selected a survivor option and wish to change the name of the person you selected to receive the monthly benefit at the time of your death, contact VRS for further information. *This form cannot be used to change the contingent annuitant you designated at retirement.*

Death After Separation:

If you die after you have separated from employment in a VRS-covered position but before beginning to receive a monthly retirement benefit and you have not taken a refund of the contributions and interest credited to your account prior to your death, a refund of the contributions and interest credited to your account is paid to your named beneficiary; or if no beneficiary designation is on file, to the first person qualifying by order of precedence.

Other Key Points to Remember

1. This form is *not* used to designate a beneficiary for any defined contribution account funds that you may have as a part of your covered employment. Contact your defined contribution plan provider directly to designate beneficiaries.
2. This form cannot be used to designate a beneficiary for your spouse's or children's coverage under the Optional Life Insurance Plan because you are the beneficiary of those benefits.
3. If you name multiple primary beneficiaries, other than those established by law for death in service benefits, the proceeds will be split equally, unless you instruct otherwise in the Share % box for each beneficiary on this form. If you need to designate additional beneficiaries, list them on the Designation of Beneficiary – Continuation (VRS-2A) at the time you complete the VRS-2 and send both forms to VRS.
4. Complete the form using full names such as "Mary L. Doe" rather than "Mrs. John Doe."
5. If a **minor** (child less than 18 years of age) is named as beneficiary, a guardian for the financial estate of the minor must be appointed by the court before benefits can be paid.
6. If an **estate** is named as beneficiary, a probated will appointing an administrator or executor must be provided or the court must appoint an administrator or an executor before benefits can be paid.
7. If a **trust** is named as beneficiary, list the name of the trustee and the date that the trust agreement was completed. Do not submit a copy of the trust with this form. A copy will be requested when the claim for benefits is made.
8. Forms that have been altered cannot be accepted. If you make an error when completing this form, complete a new form.
9. **Beneficiary Types:** When you choose beneficiaries, you must indicate whether each beneficiary is a primary or contingent beneficiary.
Primary: Person(s) to receive the death benefits payable upon your death.
Contingent: Person(s) to receive the death benefits payable upon your death, if the primary beneficiary(ies) dies before you.
9. **Share %:** You may provide less than 100% share to an individual beneficiary and you may break down the shares designated for each benefit differently. Be sure your share percentages total 100% for each type of benefit.
