

Lee County Electoral Board Minutes  
November 15, 2016

Meeting called to order by Lori Rouse

All Members present, also present Patsy Burchett, GR

The Electoral Board met at noon to complete the Canvass for the November 8, 2016 General Election.

The EB did not count the Provisional Ballot because the Voter did not return to the Registrar's Office with a Photo ID.

The Board signed the abstracts that will be faxed and mailed to the Department of Elections in Richmond.

Election Material was delivered to the Clerk of Court as required by law.

During sorting and packing Election Material, Garry Williams stated we did not have enough room. Everyone agreed to this. He asks Burchett to request for the E. Board to get on the Agenda of the Board of Supervisors to request larger office space.

Next meeting will be determined later.

Adjournment: With no other business Gerald Williams made a motion to adjourn, seconded by Gary.
